

## **Great Basin Type 3 IMT Rotation Guidelines**

1. The Out of Area rotation and procedures will be determined per this document, which will be posted on the GBCC webpage under Overhead / Teams and Type 3 IMTs tab.
2. Out of Area is defined as; Outside of the team's established charter area. This includes inside and outside of the geographic area.
3. The initial order of rotation will be set by a one-time lottery.
4. The rotation will take into account that not all T3 IMT's may be available for out of area assignment due to local/state/GACC fire demands.
5. GBCC will contact the Team's Oversight Representative in accordance to their approved charter prior to assignment to ensure that the Team is Available for out of area mobilization.
6. If a team is unavailable, GBCC will move to the next team on the list. The team(s) listed as Unavailable WILL NOT lose their position on the rotation.
7. Team(s) returning from out of area assignments will be placed at the bottom of the rotation, ensuring that all other Teams have the opportunity for an out of area assignment, regardless of the date or length of assignment.
8. Any Team committed on an assignment within the Primary Response area within the Great Basin, would maintain their position on the out of area rotation list without penalty.
9. The out of area rotation guidelines will be adhered to whenever possible. GBCC Center Manager, GMAC Coordinator and/or Great Basin Coordinating Group Chair retains decision space to deviate from the rotation given certain condition and/or factors, such as; Date/Time needed, National need, Great Basin need and Agency specific requirements.
10. Based on current fire condition or predicted local/GACC/National needs, there may be occasions when GBCC/GMAC/NMAC may choose not to commit all T3 teams and thus putting a pause on the out of area rotation.
11. Out of area rotation will be updated by GBCC as it cycles through Team commitments and will be posted on the GBCC webpage for viewing.
12. Rotation to start June 18<sup>th</sup>, 2016 with the following order:
  - Idaho
  - Utah
  - Nevada
  - Wyoming
